

# Innovation Service Request Template

Use a PDF editor like Apple's Preview, Adobe Acrobat Reader or capable browsers like Firefox to fill in the fields. Then save the PDF and send it to [innovation@mail.envri.eu](mailto:innovation@mail.envri.eu). Our onboarding team will then integrate your service into the Envri Innovation Hub.

Explore [here](#) how your service will appear in the ENVRI Innovation Hub's E-catalogue of Services.

## Provider Related Information

### Provider Description

Describe the infrastructure/lab; max 700 characters.
